

Student Ambassador Certificate

Anas Uddin

This is to certify that **Anas Uddin (born 5.1.1995)** has participated in the Tampere University Student Ambassador programme during the academic year 2025-2026.

Student Ambassadors act as a link between Tampere University and the outside community. Student Ambassadors have a central role in marketing Tampere University's degree programmes.

During his time as a Student Ambassador, Anas has promoted the university by sharing his experiences by being in contact with prospective students at the Unibuddy platform. He has also been active in the social media team and provided content to Tampere University social media and the ambassador blog.
